Huntsville, TX

August 2025-Present

- Engage with professionals through networking events to build meaningful connections and expand career opportunities within the industry.
- Demonstrate commitment to academic excellence through active involvement in a globally recognized honor organization.

### Alpha Lambda Delta

#### Member

Huntsville, TX

January 2024-Present

- Actively participated in ALD events including workshops and socials promoting networking with other students.
- Performed community services by cleaning public highways, demonstrated effective teamwork by completing the task in a timely manner, and showed commitment to maintaining the environment.

### Banking and Finance Club

#### Member

Huntsville, TX

September 2025-Present

- Attending professional information sessions and making connections with other students in the banking and finance sector.

## WORK EXPERIENCE

---

### Independent Contractor (Storm Relief)

Houston, TX

July 2024

- Partnered with a team to clear storm debris, clean gutters, and restore residential yards following hurricanes in the Houston area.
- Contributed to community recovery by supporting families in restoring their homes and outdoor spaces after severe weather events.
- Communicated with homeowners to understand their needs and provide reassurance during recovery efforts.

## VOLUNTEER EXPERIENCE

---

### ALD Highway Clean-Up

#### Member

Huntsville, TX

November 2023

- Demonstrated communication skills by dividing tasks, supporting peers, and ensuring all areas were cleaned effectively.
- Strengthened teamwork skills by coordinating with fellow volunteers throughout the cleanup effort.
- Maintained a consistent work pace in outdoor conditions to complete the task in a timely manner.

### MTB Trail Work

Houston, TX

April - July 2022

- Assisted in repairing and maintaining local mountain bike trails to improve safety and accessibility for both bikers and hikers.
- Collaborated with a volunteer team to repair damaged areas and build new trail elements, supporting long-term sustainability of the park.
- Gathered materials used to repair and build obstacles to give bikers new and unique trail features.
